Polling Schemes Regulations 2005

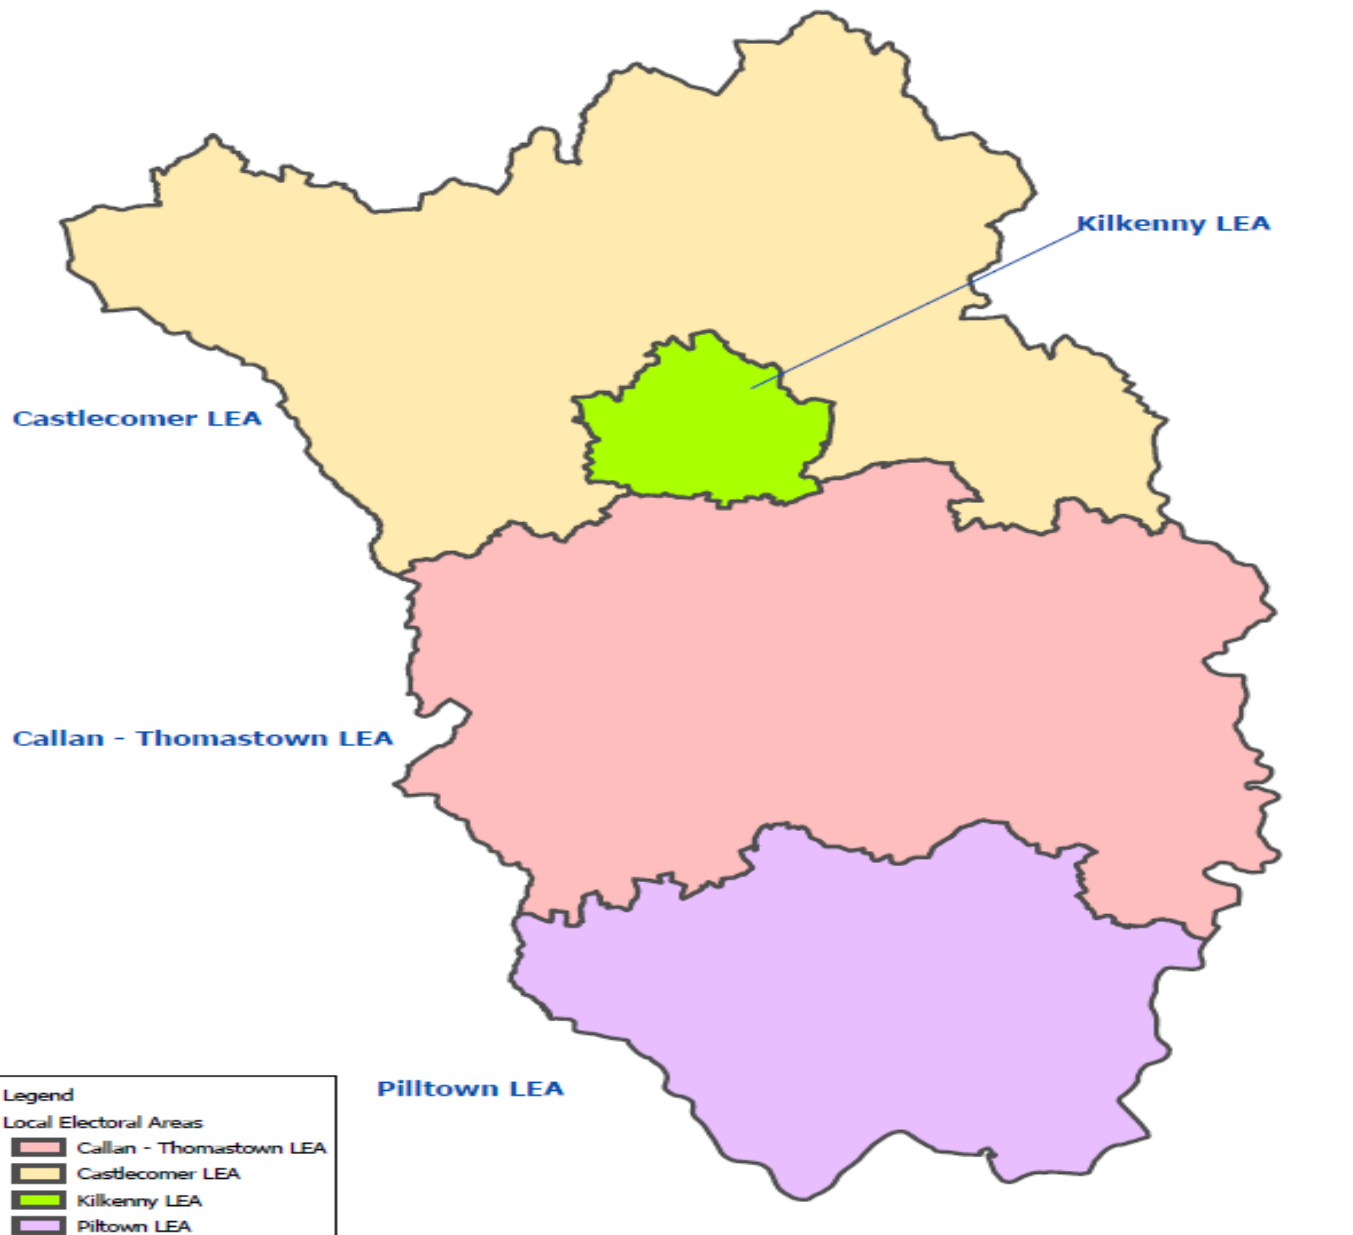

Introduction:

It is required by Section 28 of the Electoral Act 1992, as amended, that each County Council shall at least once in every ten years make a scheme dividing the County into Polling Districts and appointing a polling place for each polling district. Such a Scheme is called a Polling Scheme. The Register of Electors is then produced in accordance with the districts defined within the Scheme.

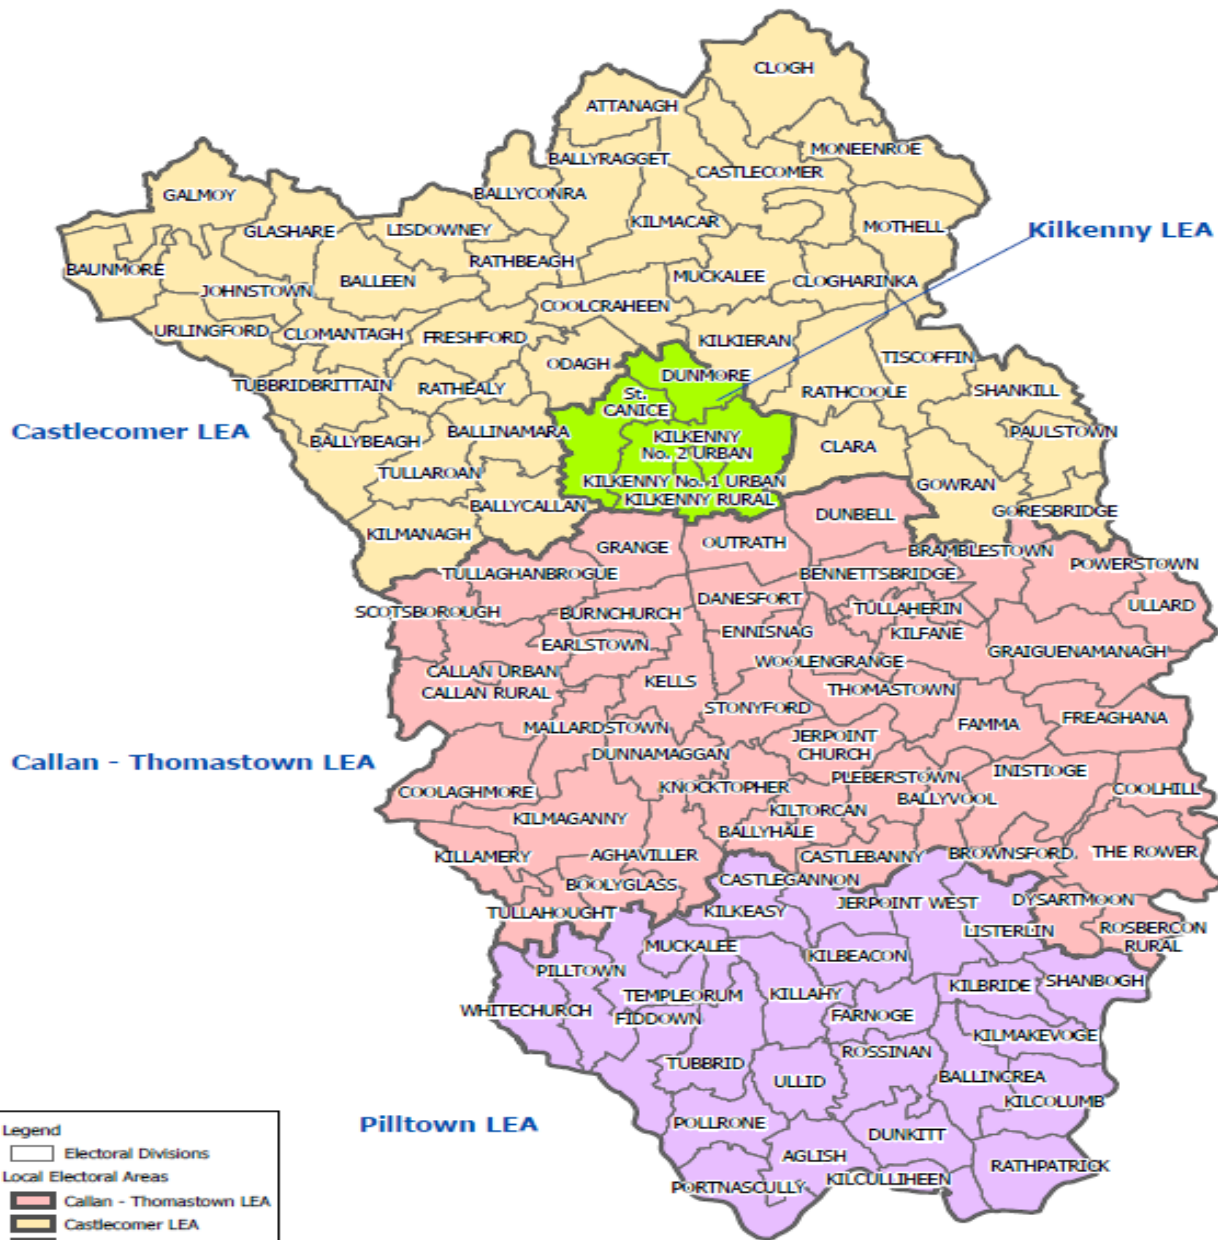

*The making of the Scheme is a reserved function. This Scheme is effective from **XXXXXXXXXX**.*

The Electoral Act 1992 (as amended) and the Electoral (Polling Schemes) Regulations 2005 outline the procedure for making a Polling Scheme
