RE: KILKENNY MIGRANT INTEGRATION STRATEGY

A Chara,

I attach hereto copy of the Kilkenny Migrant Integration Strategy. This strategy for Kilkenny reflects the needs and experiences of ethnic minority and cultural groups and service providers. The strategy is committed to both EU and Irish Government principles for immigrant integration and sees integration as an active process where mutual respect, human rights, equality, self-determination, encouragement and capacity building play a central role. The Plan has been developed by Kilkenny County Council, Kilkenny Leader Partnership and County Kilkenny PPN, and has been presented to and approved by both Kilkenny LCDC and Strategic Policy Committee 5.

Mise le meas,

Mary Mulholland
