BUTTS AREA REGENERATION XMAS DROP IN MORNING - THURSDAY 5TH OF DEC

Call in to the office at **No 19, Pearse St on Thursday 5th of December** for some festive treats, between 11.30 and 1.30pm. Mince pies, chocolates, tea and coffee will be available. All are welcome!

COMMUNITY CONSULTATION PROCESS

Following on from the first community consultation event on November 6th, the consultants VHA are developing proposals to meet the needs and priorities identified. If you want the opportunity to have your say on the process, please submit the feedback form to No 19, Pearse St. More feedback forms are available at the office at the following times:

Tuesday - 10.30-2.30,

Wednesday - 10.30-2.30 and

Friday - 10.30-2.30

Household Surveys

Global Home Warranties are continuing to carry out surveys of the structural house conditions in the Butts area. We are arranging appointments for the surveys. Thank you to all those who have facilitated the surveyors to date. The process will take a number of months and the reports will give greater details of issues arising in houses in the area. This will form part of the future planning process for the Butts Area Regeneration Project.
