Vote of Sympathy

The members joined with the Cathaoirleach in paying tribute to Mr Billy Kinsella who sadly lost his life on the 18th February 2022 during the course of his employment with Wexford County Council. Members acknowledged the work completed by both Mr Philippe Beubry and Mr Tim Butler to ensure staff safety during recent storms and also highlighted the need for greater patience amongst the general public during severe weather. It was agreed that a Vote of Sympathy would be extended to Wexford County Council.

1. Confirmation of Minutes of:

(a) January Ordinary Meeting held on 17th January 2022

The minutes were proposed by Cllr Mary Hilda Cavanagh seconded by Cllr Denis Hynes and agreed.

2. Consideration of Reports and Recommendations:

(a) Broadband

Mr Steve Coverdale presented an update on Broadband to the members and advised that he will endeavour to update this report monthly. The presentation provided an update on the Regional Exchange in Kilkenny City and Local Exchanges in Thomastown, Johnstown and Castlecomer. An overview of the work ongoing by NBI was presented. An update on current issues in both Castlecomer and Urlingford were provided as follows: -

Mr Coverdale confirmed that Cellnex have identified areas in Castlecomer for possible mast locations for wireless broadband and are waiting for frequency tests for suitability to be carried out which it is hoped will be completed by February 2022.

Mr Coverdale confirmed that he has been in contact with the Urlingford Business Group about ongoing issues which have been referred to OpenEir for investigation and registered with the Department of the Environment, Climate and Communications (DECC) for follow up. OpenEir have confirmed premises in the Togher Road Area are too far from cabinet for fibre to the cabinet (FTTC) and will be added to OpenEir Ireland Fibre Network (IFN) Scheme which Mr Coverdale advised could take a number of years. Mr Coverdale confirmed that Cellnex were granted a S254 licence for telecoms pole in September 2021 and are waiting for an expression of interest from operators. Mr Coverdale also advised that Cellnex are looking at the potential of a larger site probably adjacent to the M8 during 2022. A list of abbreviations / definitions associated with Broadband were circulated to members along with Blue Area Maps at November 2021 for both Castlecomer and Urlingford.

Contributions were received from the members as follows:

- Members thanked Mr Steve Coverdale for the update provided and acknowledged the huge volume of work involved and the slow nature of any progress.

- Members acknowledged the resourceful and able teams in place in both Johnstown and Urlingford and thanked Mr Steve Coverdale for his work with both teams.
- Members welcomed the identification of a site in Castlecomer for the provision of infrastructure.
