Mr Philippe Beubry advised that his initial investigation had confirmed:

- Public lighting on the Old N8 had been upgraded with LED lights.
- Public lighting on the R435, Freshford Road had been extended as far as the 60km/h speed limit.
- A possible deficiency at the RC Church, Rathdowney Road and the R582 Templetuohy Road.
- PB explained that it is proposed to extend the 50km/h zone on the R435, Rathdowney road beyond the entrance to the GAA Grounds under the current speed limit review. As a result of this change, there would be scope to extend the public lighting to the new location of the 50km/h signs.
