(1) 22 Cllr Eugene McGuinness

“Now that the Government have removed all Covid restrictions, which also removes the need for Social Distancing I would ask Kilkenny County Council to reinstate the pre-covid, two way traffic system.”

(2) 22 Cllr. John Coonan

“That conscious of the focus on active travel and revitalising town centres and also aware of the difficulties that can arise with management of public toilets. I would ask for consideration of additional public toilets in future City Centre proposals to cater for locals and visitors”

(3) 22 Cllr. Maria Dollard

“I propose that this Council progress the development of The Clish as an amenity area to include the KKB led project to commemorate the Irish struggle for freedom and independence, this 'Garden of Remembrance and Reconciliation' has the potential to be a defining feature of the area and compliment any objective that will emerge for the masterplan area defined in our county development plan 'by Parnell St, Kickham St, Dominic St and the Gaol Rd' (Kilkenny County Council, 2021, p. 20) and provide much needed and wanted amenity for the people already living in this area. I am asking all the members to support this project, the start of which will be the engagement between the KKB, their landscape architect and Kilkenny County Council Executive.”
